

(Capo II Chords)

Until I Hear It from You

- Gin Blossoms

A(G) Fm(Em) C#m (Bm)
I didn't ask, they shouldn't have told me
E (D)
At first I'd laugh, but now
A(G) Fm (Em) C#m(Bm)
It's sinking in fast, whatever they've sold me
E (D) D (C) E (D)
Well I don't want to take advice from fools
D (C) E (D)
I'll just figure everything is cool
A (G) C#m (Bm) Fm (Em) E (D) D (C)
Until I hear it from you

It gets hard, the memory's faded
(Who gets what they say)
It's likely they're just jealous and jaded
Well I don't want to take advice from fools
I'll just figure everything is cool
Until I hear it from you, until I hear it from you

Bridge

E (D) A (G)
I can't let it get me off
D (C) B (A)
Or break up my train of thought
E (D) A (G)
As far as I know, nothing's wrong
G (F) D (C) A (G)
Until I hear it from you

Still thinking about not living without it
(Outside looking in)
'Til we're talking about it, not stepping around it
Maybe...

I don't want to take advice from fools
I'll just figure everything is cool
Until I hear it from you...
